

Since 1965, Vollmer has been recognized as a leader within the Service and Industrial, Commercial, and Institutional (ICI) Construction sectors of Windsor-Essex & Kent County's. We have demonstrated our diversified capabilities in dealing with Mechanical Piping, HVAC, Millwright Rigging, Electrical, High Voltage Testing, and Data Communication solutions.

Project Manager / Estimator

Vollmer's Construction Team is looking to add experienced Project Managers for all skilled trades within our group (Electrical, Mechanical, Sheet Metal, Millwright/Rigging and Data Communications). Applicants must possess strong knowledge of estimating and quoting of ICI construction jobs. The ideal candidate will have experience with cost control and scheduling, coupled with strong people and project management skills. Applicants must have the ability and experience to interact and network with customers. Construction related experience and a proven track record within the ICI sector would be considered an asset.

If you're ready for an exciting and challenging opportunity that leads to career advancement, then please forward your resume to:
