

Since 1965, Vollmer has been recognized as a leader within the Service and Industrial, Commercial, and Institutional (ICI) Construction sectors of Windsor-Essex & Kent County's. We have demonstrated our diversified capabilities in dealing with Mechanical Piping, HVAC, Millwright Rigging, Electrical, High Voltage Testing, and Data Communication solutions.

## **Project Manager – Construction**

Vollmer's Construction Team is looking to add a Project Manager with experience in managing, estimating and scheduling of ICI construction jobs. The ideal candidate will have experience with all construction trades, specifically the civil component required for construction projects. They must also have the ability to schedule, organize, supervise and manage construction installations. Candidates should possess strong people and project management skills, and must have the ability to interact and network with customers. Construction related experience and a proven track record within the ICI sector would be considered an asset.
