

Since 1965, Vollmer has been recognized as a leader within the Service and Industrial, Commercial, and Institutional (ICI) Construction sectors of Windsor-Essex & Kent County's. We have demonstrated our diversified capabilities in dealing with Mechanical Piping, HVAC, Millwright Rigging, Electrical, High Voltage Testing, and Data Communication solutions.

## Sheet Metal Estimator

Vollmer's Construction Team is looking to add a Sheet Metal Estimator with experience in estimating ICI construction jobs. The successful applicant will prepare accurate estimates, detailed quality take-offs, labourizing all materials and equipment, as well as assembling project bids. Candidates must possess a good knowledge of material handling, installation techniques and assessing site conditions. The ideal candidate will also have the experience and the ability to schedule, organize, purchase and manage installations to completion. Candidates should also possess strong people skills, and must have the ability to interact and network with customers in a positive way. Applicants should have construction related experience and a proven track record within the ICI sector.

If you're ready for an exciting and challenging opportunity that leads to career advancement, then please forward your resume to:
